PROFILE

Back-end software developer with extensive knowledge in web development. My main focus revolves around utilizing technologies such as .Net C#, Java Spring Boot, TypeScript, Express.js, and Python. I have experience in creating scalable web services and implementing efficient business logic. I excel in teamwork, creatively solving problems, and staying up-to-date with the latest technological trends. I am constantly seeking new challenges to continue my professional growth in this exciting field.

EDUCATION

Bachelor's degree in Software Engineering, Universidad Cenfotec

San José
