Andrey Acosta Ramirez

University Student

👤 Profile

As a second-year software engineering student with a passion for developing innovative solutions, I am proficient in C#, .Net, Python, FastAPI and Django, SQL Server, I have completed several projects that showcase my programming skills. I thrive in challenging situations and am able to quickly adapt to new technologies. With a strong commitment to delivering high-quality work that exceeds expectations, I am actively seeking opportunities to contribute to a dynamic team. My strong teamwork and problem-solving skills make me an asset to any organization.
